Dear Grocery Direct,

We are pleased to work with Grocer Direct as a distribution partner and we look forward to working together to create solutions for your customer base.

As an introduction to your clients we at TEJA Food Group are a Canadian Seafood, Protein and Appetizer company that specializes in innovative products for Food Service, HMR and Retail applications.

- 70+ years of combined seafood procurement experience.
- Direct to source buying, with custom specification and program creation.
- Great Quality Control, with plant facilities inspected on a constant basis.
- Tight specification controls, with rigorous product reviews and testing.
- A large and diverse range of product offerings.

Some of our product offerings consist of Taco Cut Cod, Giant Joe Battered Haddock, Portion Perfect Halibut, Ahi Tuna (steaks, poke - Ocean Wise), Cedar Plank Salmon, Loins, Fillets, a thaw and serve Sushi line, Kapow Tempura Battered Vegetables, Bao Buns, Kapow Dumplings and multiple Vegan options to name a few.

We believe such items will be of great interest to your customers. As well our line of innovation and convenience will be a strong solution to the changing needs of your customers.

Best Regards,

Jeff Moase
